Note from Scott Asbells:

Today was the embodiment of President Teddy Roosevelt's desire to build a citizenship able to defend itself. He said, "*We should encourage rifle practice among schoolboys, and indeed among all classes, as well as in the military services by every means possible.*" Roosevelt said practicing marksmanship was "*preparation to avert war.*"

It was another great day of *rifle practice* and marksmanship at the Centerville Small Arms Club. Civilian marksman and markswomen came out to test their skill, improve their marksmanship, and compete with friends, family, and fellow shooters. Several competitors contested on electronic targets under interesting wind conditions, for CMP Achievement pins and Excellence in Competition Points.

Congratulations go out to Joely Pratt who *unofficially earned another six (leg points) EIC points toward her Distinguished Marksmanship Badge.

A big welcome to John and Sloane Ostler. This was Sloane's first Service Rifle Match. It was great to have both of you shoot with us.

Thanks again, and I can't say it often enough, to all who came early and stayed late to help set up and clean up. ...and a special thanks to Jeff Hansen & Dan Hoffman, our recent *Distinguished Rifleman Badge Awardees*, for calling the match.
